The Met Opera Laffont Competition

Every two years the Knoxville Opera Camerata organizes the Tennessee District Competition on behalf of the New York Metropolitan Opera's Laffont Competition, working with judges from around the country and spending time with talented opera singers vying for one of the country's most coveted prizes in vocal performance.

Benefiting the Arts

Camerata members get a front-row seat in the planning and presentation of wonderful community events like the annual Camerata Ball, Croquet Tournament, and our most recent success, Couture Opéra! These events, along with Monday Night Opera, Bubbles and Bravos, and our Pre-Opera Brunch series are the community building and entertaining gateways for the community to get to know Knoxville Opera. Your participation helps to ensure that this unique, multi-disciplined art form can continue to reach new audiences through fun and engaging cultural activities presented year-round!

Join the Camerata!

Did you know that the Camerata provides nearly 12% of Knoxville Opera's operating income with its seasonal activity? Each time you participate in Camerata membership and events, the tax-deductible portion of your support counts toward recognition levels, not only for the membership and events but also as general support for Knoxville Opera itself! This means you can be recognized as an arts community leader along with your peers, growing Knoxville's cultural and entertainment footprint and ensuring that the arts continue to thrive in the community.
